DISCOVER THE MADRID APPLICATION ASSISTANT

### WHAT IS THE MADRID APPLICATION ASSISTANT?

The Madrid Application Assistant is an electronic version of the official MM2 form that you must use to file an international application under the Madrid System.

The Madrid Application Assistant records all the information required to complete an international application in an intuitive and linear manner. Once completed, the international application will be made available in a PDF format ready for you to submit to the Office of origin for certification.

### WHY USE THE MADRID APPLICATION ASSISTANT?

Information required for your international application can be imported directly from the Office of origin's national/regional trademarks database. This not only saves time and effort, but also reduces the risk of irregularities, thus making the process of filing an international application more efficient and accurate.

WIPO recommends using the Madrid Application Assistant to complete international applications where online filing is not made available by the Office of origin.

# BENEFITS OF THE MADRID APPLICATION ASSISTANT

## SIMPLE PROCESS

Retrieve essential information concerning your [basic mark](#) directly from the database of your Office of origin.

## FASTER COMPLETION

Fill in your application following our step by step process and ensure accuracy of the captured data.

## VALIDATED DATA

Get your list of goods and services checked for classification and translated automatically

## GET STARTED

Your Office may offer the services of Madrid e-Filing or its own online filing solutions. In that case, the services of WIPO's Madrid Application Assistant will not be available to you. [Learn more about the Madrid e-Filing services.](#)

# Limitation of Goods and Services

## LIMITATION OF GOODS AND SERVICES

The limitation you are requesting will reduce the list of goods and services in respect of some, or all the Contracting Parties designated in the international registration. The goods and services that are the subject of the limitation will remain in the main list of the international registration, but they will no longer be covered by the designated Contracting Party concerned. You may later request the recording of a subsequent designation for the goods and services that are the subject of the limitation. Request a partial cancellation to permanently remove the goods and services from the main list of your international registration. Request a renunciation if you wish to abandon the effects of your international registration [for all the goods and services] with respect to one or more [but not all] of the designated Contracting Parties.
